

Development Update – 25 April 2008

Indoor Court Development - Q & A sessions

I am pleased to let you know that we have now set some dates for the Q&A sessions that we had already promised to arrange. The sessions are intended to let members gain further information on the indoor court development and to highlight financial aspects of the project. As per my communication last week we will be holding additional sessions for the clubhouse development at a more appropriate time.

The dates for these Indoor Court Q & A sessions are:

Tuesday 6th May 7:30PM

Thursday 15th May 8:15PM

Tuesday 20th May 7:30PM

N.B. In order to manage these sessions appropriately in terms of room capacity and facilities we will have to put a limit on numbers attending each evening, therefore if you are interested in attending one of these dates could you please contact the reception to reserve a place.

Thanks

Chris Davies
Honorary Chairman
